

**Derwent & Solway Housing Association**

<b>Question</b>	<b>Response</b>
<b>Letter</b>	<p>Derwent &amp; Solway would like to support the public consultation regarding the disposal of radioactive waste in West Cumbria and will encourage our tenants and residents to put their views forward.</p> <p>We will do this by promoting the consultation in our offices, on the Harvest Housing website/Facebook pages and by consulting with our Scrutiny Panel and our E-panel. We will encourage people to leave feedback via your website, or will post feedback on their behalf if customers do not have access to the internet.</p>
