

Caldew School, Dalston, Cumbria

Individual pupils filled in a worksheet on the topic of Impacts and answered the following questions in relation to the Partnership's initial opinions:

Do you agree with the West Cumbria MRWS Partnership's opinions that...

- a) ... a repository could fit with the economic future of West Cumbria, but more studies would be needed in Stage 4?
- b) ... job creation opportunities are positive enough to move to the next stage?
- c) ... there is a process in place to assess and reduce any negative impacts if West Cumbria moves into the next stage?

User ID	Question	Response
1014	Impacts - see above	<p>a) YES Because people will need money and jobs will open there which will give more jobs and money.</p> <p>b) NO Because there will be no other jobs and we will live off them.</p> <p>c) YES Because we could build more roads if it was busy.</p>
1016	Impacts - see above	<p>a) YES Because people need jobs so they will get a job and they will get money.</p> <p>b) YES Because a new place will give new jobs and we will get more money.</p> <p>c) YES Because we could build more roads if they were already busy.</p>
1018	Impacts - see above	<p>a) YES Because the factory will need men to work in the factory which will get passed so there will be more money in the county.</p> <p>b) NO Because if that was the only thing I don't think that would persuade me enough to build the cave.</p> <p>c) YES So to get round the problem of traffic we could build more roads.</p>
1020	Impacts - see above	<p>a) PARTLY/NOT SURE Because jobs would be there and no because a lot of people won't want to work there.</p> <p>b) YES Because a new place would give new/more jobs.</p> <p>c) YES Because they could make an exit off the bypass so that the smaller roads stay quiet.</p>

1021	Impacts - see above	<p>a) PARTLY/NOT SURE Because more jobs would be there and no because a lot of people won't want to work there.</p> <p>b) YES Because a new place would give new jobs.</p> <p>c) YES They could make an exit off the bypass so that the smaller roads would stay quiet.</p>
1022	Impacts - see above	<p>a) YES Because lots of people are being let go so this would help with that problem.</p> <p>b) PARTLY/NOT SURE Because some people will not have the ability to actually do the job.</p> <p>c) NO Because adding more roads is going to wreck Cumbria's countryside meaning we wouldn't have nice land.</p>
1023	Impacts - see above	<p>a) YES Because it's a new company with more jobs.</p> <p>b) YES Because it gives homeless people a chance.</p> <p>c) PARTLY/NOT SURE Left blank</p>
1024	Impacts - see above	<p>a) YES Because if we have a war it's closest to ground but not underground.</p> <p>b) YES It will give us more money</p> <p>c) YES Make more roads.</p>
1026	Impacts - see above	<p>a) YES Because if we have a war then it would be closer above ground but not underground.</p> <p>b) YES Because it will give us more money so we don't go bankrupt or in debt.</p> <p>c) YES Because we could make more roads to divert traffic.</p>
1027	Impacts - see above	<p>a) YES Because it's a big operation.</p> <p>b) YES Because Cumbria needs money.</p>

		c) YES Because we can.
1028	Impacts - see above	a) YES Because if we have a war its closest to ground but not underground. b) YES Left blank c) YES Left blank
1030	Impacts - see above	a) YES Because it is a new company so there will be jobs. b) YES Because we don't have much money and will get some from this. c) YES There will be more roads.
1033	Impacts - see above	a) YES Because it is a new company so there will be jobs. b) YES Because we don't have much money and will get some from this. c) YES There will be more roads.
1034	Impacts - see above	a) YES Because it is a new company so there's jobs. b) YES Because we need money. c) YES Make more roads.
1036	Impacts - see above	a) PARTLY/NOT SURE It might have more jobs depending on what type of job. b) PARTLY/NOT SURE Left blank c) PARTLY/NOT SURE Left blank
1037	Impacts - see above	a) YES

		<p>There will be more jobs in Cumbria.</p> <p>b) PARTLY/NOT SURE Left blank</p> <p>c) PARTLY/NOT SURE Left blank</p>
1038	Impacts - see above	<p>a) YES PARTLY Because if they need jobs to handle the waste, you will get a higher wage because it will be dangerous.</p> <p>b) YES PARTLY Office men will be needed to make sure it gets here.</p> <p>c) NOT SURE Left blank</p>
1039	Impacts - see above	<p>a) YES Because there will be more jobs for people.</p> <p>b) NO Because not everyone will want the jobs and there is a lot more things to think about.</p> <p>c) NOT SURE Because traffic can vary but I think it will be a lot more busy.</p>
1040	Impacts - see above	<p>a) YES Because there will be jobs for bin men/nuclear bin men.</p> <p>b) NO Because not everyone would want to be a bin man/woman and will get other jobs.</p> <p>c) NOT SURE Because traffic cannot be allowed unless build more roads.</p>
1041	Impacts - see above	<p>a) YES Because it offers more jobs to people and decreases the population of people who need jobs.</p> <p>b) PARTLY/NOT SURE It would because it would give jobs but there is still the bad thing e.g. more traffic, worried people etc.</p> <p>c) YES Because you could make bypasses.</p>
1042	Impacts - see above	<p>a) YES Because it brings jobs.</p> <p>b) YES Left blank</p> <p>c) Left blank Left blank</p>

1043	Impacts - see above	a) NOT SURE Left blank. b) YES It helps people make more money c) NOT SURE Left blank
1044	Impacts - see above	a) NOT SURE Left blank b) YES It helps people make more money. c) NOT SURE Left blank
1046	Impacts - see above	a) PARTLY/NOT SURE Because it will bring more jobs however, it will cost a lot of money. b) NO Because there's more trades than being a nuclear power engineer. c) YES Left blank
1047	Impacts - see above	a) NOT SURE Left blank b) NOT SURE Left blank c) NOT SURE Left blank
